Russell Moore & IIIrd Tyme Out

"For many years now, IIIrd Tyme Out has been one the most enjoyable - and most awarded groups in Bluegrass Music. After hearing their latest disc, I see no reason why either of those distinctions should come to an end anytime soon. I can tell you this album is proof that Bluegrass Music is in some mighty fine hands!"

Chuck Dauphin, Music News Nashville

"...it's more than just longevity that gets Russell Moore's name out front. The man is, to put it simply, one of the finest singers you'll ever hear, and he makes it seem positively effortless."

Jon Weisberger, Journalist, Broadcaster, IBMA Songwriter of the Year

"These guys do not disappoint, really, on any level. They're pros, they play marvelously, and they know good songs when they hear them."

Jerome Clark, Rambles.net

"Moore and the band are in prime form throughout, a testament to the years and the miles of near-constant touring, recording and performing before legions of the most loyal fans in 'grass."

Jack Bernhardt, Raleigh News & Observer

IT'S ABOUT TYME

"For the past twenty-five years, Russell Moore & IIIrd Tyme Out have been known for consistency in delivering top-notch bluegrass music filled with energy and innovation. That reputation continues with the success of their most recent release, **It's About Tyme**. As a broadcaster, it is not often that I come across an album which I enjoy presenting as much as I do the new music from Russell Moore & IIIrd Tyme Out. Even by their own lofty standards, Russell Moore & IIIrd Tyme Out have, once again, raised the bar for excellence in bluegrass recordings. The combination of fresh, memorable songs and exciting vocal and instrumental arrangements showcase why they have been among the bluegrass elite for two and a half decades."

Daniel Mullins, Bluegrass Today and My Classic Country

"It's About Tyme is a personal favorite and one of our top 5 most requested albums of the year."

Terry Herd, Bluegrass Radio Network

"It's no surprise that **It's About Tyme** has topped the charts. Great singing, great playing and songs that fit the band just right - what more could you ask for? The band is a perfect blend of youth and experience, and Russell Moore is a force of nature, admired by colleagues every bit as much as by fans."

Jon Weisberger, Journalist, Broadcaster, IBMA Songwriter of the Year

"When they told me this album had been #1 for five months now, I thought, 'Well, why shouldn't it be?' With so many strong songs in one package, played and sung by one of the top bands in the business, **It's About Tyme** is about as good as it gets!"
